My bedroom reset.

Five small stops. One clear path.

Start at the top. Check each stop when it is finished.

My name

1 Trash

Put ordinary paper scraps and wrappers in the bin.

Ask an adult about anything sharp, wet or unknown.

☐

2 Laundry

Dirty clothes in the hamper. Clean clothes put away.

The chair and floor are not clothes storage.

☐

3 Toys

Toys in bins. Books on the shelf.

Keep one unfinished project in its agreed spot.

☐

4 Bed

Pull up the cover. Put the pillow back.

There is space to lie down.

☐

5 Floor

Return the last stray items to their homes.

The path from the door to the bed is clear.

My reset happens after

Only five minutes?

Put dirty clothes in the hamper. Put toys in bins. Clear the walking path. Stop when the timer ends.

This is a tidy-up, not a deep clean. Adults handle cleaning products, high places and unsafe objects.
