Our family. Our jobs.

Different jobs. A shared finish.

Example: dinner cleanup with siblings at different stages. Choose by practice and readiness, not just age.

Example: age 4

A small job

Put napkins and spoons on the table.

Done: every place has both.

Example: age 7

A practiced job

Clear unbreakable dishes to the counter.

Done: the table is clear.

Example: age 10

A longer job

Wipe the cleared table with a damp cloth.

Done: crumbs and spills are gone.

Make the plan yours

Person 2 _____ **Their job** _____

Person 3 _____ **Their job** _____

Adult's job _____

We check the plan after _____

When someone says, “That's not fair.”

Everyone contributes. Jobs fit what each person has learned. Swap only between people who can do the job safely.

Adults keep hot, sharp, heavy or breakable items. Older children do not become the younger child's supervisor.
